Salute Alvernia!

We continue our tour of romantic countries by choosing Italy as the theme of our **17th Annual Alvernia Luncheon on April 19, 2009**. Our table décor and menu will reflect the Italian theme. Please plan to join us for a wonderful afternoon of dining and visiting as the Italians do so well!

Unfortunately, **we will not be able to offer Valet Parking this year**. If you find it difficult, please arrange to have someone chauffeur you and pick you up. There is a drop off area in front of the main doors and the shuttle bus will also bring you from the parking garage to this drop off/pick up area. Elevators and escalators are available for transport to the second floor ballroom.

Self Parking is free in the Williams Street Garage. Do not park behind the hotel, but drive directly into the garage. You will receive a validated ticket to exit the garage at the luncheon. There is an enclosed Skywalk from the parking area to the ballroom.

Please call **Barbara Annoreno** if you require easels for displaying class memorabilia; if you have any special needs for your class reunions; if you have special food requirements or need other information. **847-577-6259 or oneronna@aol.com**. **If any alum loves to take pictures which would be used in our newsletter, please let me know.**

DISTINGUISHED ALUMNA OF 2009

SISTER BARBARA KRAEMER, CLASS OF 1959

We are very happy to announce that **Sister Barbara Kraemer, OSF, a religious, an educator and a missionary,** has been selected to receive the **Distinguished Alumna Award for 2009.** Sister Barbara was nominated by **Susan Schell Cargill,** also from the **Class of 1959.** *Susan said “back in 1959, little did we know (and I suspect, little did Barbara ever suspect) that she would be Provincial of the order!!!! We knew she was brilliant, dedicated and hard working, but she has certainly exceeded our expectations! We are so proud of her!”*

Sister Barbara Kraemer entered the School Sisters of St. Francis in 1960. In her years of teaching she has taught elementary, secondary and higher education students. At Alvernia High School, her alma mater, she taught history and coached debate and forensics. After completing a master's degree in education, she became a social studies consultant at the elementary level, assisting teachers in innovative and justice-related teaching of social studies and helping in the development of the social studies curriculum in the Chicago Archdiocese. She served as education director for the School Sisters of St. Francis in the United States, visiting schools across the country and highlighting innovative programs.

After completing a master's degree in economics, Sister Barbara served as a missionary in Central America. She wrote a book, ***Honduras: Economic and Social Data on the National Reality***, used for Church personnel and later published for university students. She prepared and taught courses on Catholic Social Teaching and the formation of local church communities in both Honduras and Nicaragua.

Sister Barbara was then elected **Vice President of the School Sisters of St. Francis** and served her international community of sisters in ten countries for eight years, with special responsibility for the sisters in six countries of Latin America. Returning to Chicago, she taught economics and business classes, and eventually became Associate Dean of Faculty at St. Augustine College, a bilingual college for Hispanics in Chicago. After completing her doctorate in public policy analysis, she took a position as visiting professor in the graduate program in public Services at De Paul University. She also taught courses in the International Studies Program, the School of Education, and the School for New Learning at De Paul.

Sister Barbara founded the **Center for the Study of Religious Life in 1998** and served as its executive director for five years.

In **2003** Sister was elected **Provincial of the United States Province of the School Sisters of St. Francis**, and will continue in that position until 2011. She and the two other sisters on the Provincial Team are responsible for furthering the mission of the community, providing for the needs of the 640 sisters in the United States, and planning for the future. They are responsible for six institutions under the direction of the province, including **Alverno College** in Milwaukee. They have established **Casa Alexia**, a center with six sisters serving the immigrant community at the Texas-Mexico border. Now they are planning with another religious community to build a facility for memory care for the sisters, and eventually for laity. *(This article was prepared by Sister Maureen McCarthy)*

SPIRITUAL ENRICHMENT

Save the Date!

Sister Mary Carroll OSF, will give a presentation *“Stages of a Woman’s Life: Mary, Elizabeth and Anna”*, on **Sunday, March 15, 2009** at **Divine Providence Convent, 302 N. River Road, Des Plaines, IL.**

It is based on the women of Luke’s gospel and the developmental insights of Eric Erickson. We will spend reflection time on how these women represent the youthful, middle age and older woman. Hopefully we will then see parallels to our own development and be able to appreciate the biblical significance and be more insightful and grateful for each stage.

We will begin with hospitality at **1:30PM** followed by **Sister’s presentation at 2PM.** The afternoon should conclude by **4PM.**

So that we can plan accordingly, kindly RSVP to Barbara Annoreno at 847-577-6259 or oneronna@aol.com.

A NOTE FROM OUR MODERATOR

My dear Alvernia Alumnae,

It has been an honor to be among you in such a significant way these past two years. You are absolutely amazing! The more I am with you, the more I understand what it has meant to you to have been educated at Alvernia High School. The memories you share are deeply imbedded in the hearts of those who were privileged to share in those memorable years as your teachers. I know because I hear the stories of my sisters in community.

We are ever grateful for your care of them through your individual gifts, the Annual Luncheon, your remembrance of them in your will and most of all your prayer on their behalf. YOU are daily in our prayer of thanksgiving! We pray that your New Year will be filled with many blessings, peace, joy and good health.

Gratefully, Sister Kate

SNIPPETS AND MUCH MORE.....

In response to the question from **Marianne Aschenbrenner Rouse '32** about "older ladies" from classes before 1934 (see our Fall 2008 issue) **Charlotte Fritz Suzzi '36**, is happy to report that her sister **Rita Fritz Gergen '32** is living in a nursing home in Loveland, CO. Though Rita is legally blind, her mind is sharp as ever.

Charlotte lives in a retirement home, independent living, in **Prescott, AZ** which she says is much like a resort. She also keeps in touch with **Lillian DeGeeter Smith, Doris Biel Powers and Rozella Kaesberg O'Connor, all of the class of '36.**

Jean Wagner Apuzzo '52, Longwood FL . "The first thing I look for is news of my **Class of 1952**. I've been in Florida since 1980 when my husband retired. I still get back to the Chicago area every year but not in the spring so consequently I miss the luncheon. I loved my time at Alvernia but have not been in touch with many of my classmates." Jean keeps busy with Church activities and family. All five of her children are married and live in Florida.

Jean has three sisters who also attended Alvernia; **Jackie Wagner Bosco, '62**, who also resides in Florida, **Sister Joyce Wagner OSF, '57** who works at the Provincial Business Office in Milwaukee and **Judy Wagner Zlatic '62** of Hobart, Indiana.

November saw an exclusive reception and dedication of a sculpture by **Carolyn Warzecha Guerra, '59**. The work is part of the permanent outdoor collection of the Scripps Health Foundation and Scripps Memorial Hospital in Encinitas, CA. Carolyn and her family live in **Rancho Santa Fe, CA**. Carolyn is looking forward to attending her class's **50th** reunion in **April 2009** and reconnecting with old friends!

"Family Tree by the Sea"

THE SECULAR FRANCISCAN ORDER

Is God inviting you to walk in the footsteps of St. Francis of Assisi? Do you want to fulfill your Christian life within the Franciscan Family? Then the Secular Franciscan order is looking for you! The Secular Franciscan Order is an Order within the Catholic Church and not an organization or club. It's spirituality moves from Gospel to life and life to the Gospel. Tertiaries strive to live the Gospel through word and example in their homes, parishes, and the workplace.

The SFO is governed by a Rule of Life and general Church Law. Membership is open to married and single members of the laity, and the diocesan clergy—bishops, priests, and deacons. Within the local fraternity, a sense of church, Franciscan vocation, and ministry are developed. Monthly Fraternity meetings provide spiritual nourishment through prayer, formation, and fellowship needed for Christian living in the world. Qualifications are that you must be a practicing Catholic in good standing, be willing to make a permanent commitment to the Franciscan way of life, and be 17 years old. If you're searching to deepen your relationship with the Lord and give witness to Him in the world, then consider becoming a Secular Franciscan.

Meetings are held on the third Sunday each month at 1:15 PM at St. Juliana Convent, 7200 N. Osceola Avenue, Chicago, IL 60631. If you have any questions please contact **Florence Metler at 847-966-7612 or Dale Skinner Blum '68 at 773-774-7779.**

Susan Kula Seats '69 (Distinguished Alum of 2004) is now teaching **English and American Culture in China**.

Here are some excerpts from her recent correspondence. "I have not found a single person who speaks English besides my roommate, seven other foreign teachers, and some Chinese teachers and students. Going grocery shopping and other simple errands become a huge challenge. Meals in restaurants are very cheap, about fifty cents for a hearty meal. I miss a clothes dryer. We have a little washing machine on our balcony and everything comes out wrinkled. I have to hang my clothes on the rod on the balcony. It is quite a sight with clothes outside each apartment. The air quality does not give the clothes that spring like smell as it did in Chicago on the clotheslines in my youth. I do miss television, avocados and good wheat bread besides family and friends. The babies (and children) here are much cherished especially because of the one child limit.

Next week I will register with the Police Station and they will tell me the rules and regulations of living and teaching in China."

THE STORY OF TWO PHOTOS

On Thursday, October 9, 2008, I will fly into Chicago from Colorado Springs. The main purpose of the trip is to attend the 50th Class Reunion of the Class of 1958, Alvernia High School. The secondary purpose is to meet with several friends I have known since 1st Grade at St. Bartholomew's School, also in Chicago.

I was looking for an old school photo of these grade school friends from our illustrious musical careers in the tonette orchestra. A tonette is similar to what today is called a recorder. Our careers lasted for one year. While I remember the instrument, I no longer remember any tunes we ever played.

My search necessitated looking through a lot of old family photos. It is in this search that I came across two small photos of some young women with birdhouses. These were girls from my mother's class—the **Class of 1932 of Alvernia High School**. For those from that class my mother was **Mary Katherine McGlashan**.

As I turned each photo over, I found the names of the young women in the photos. (This was a habit my mother had of listing the people in photos). It also stated that this was sophomore year. I recall at one time when we went through photos, she told me that they had built the birdhouses but I don't remember in what class this was accomplished.

In one photo, there are 5 classmates and in the other the same 5 students plus a 6th. In each of the pictures, there is a birdhouse on the ground. It is not held by any of the students who each hold their own creations. This was the birdhouse built by my mother and she was the photographer of this photo.

My mother graduated from **Alvernia High School in 1932** and like her **I graduated from Alvernia in the class of 1958**. She passed away in February, 2005 at the age of 91. I wish I had asked her more questions about her life and her family before she died but I didn't. I regret this and I regret that I had no daughter to follow in our footsteps at Alvernia.

This is the story of two pictures that bridges all the years between and perpetuates our fond memories of Alvernia High School.

AN IMPORTANT MESSAGE

Marie Nachman, Class of 1973

In memory of Nancy Zidek Arts, Class of 1973

This past year, **the class of '73** lost a member to ovarian cancer. At least one other classmate is a long term survivor of the disease. Breast cancer has also hit our class, and all of this started before we reached our fifties. These are not diseases that discriminate by age. Our only defense is to be informed and insistent when we sense that something is not right with our bodies. The Alvernia Alumnae Association is home to strong, intelligent, persistent women. ***Let's get educated and get the word out about the sneaky cancer that is taking too many lives.***

Ovarian cancer is a disease without a single obvious warning. Breast cancer can be sneaky too, but at least we can look for a lump and breathe a sign of relief when we don't find one. And if we do feel a lump, there is much early intervention that can take place. There isn't a way to prevent it, but the treatment options keep getting better.

I'd like to share some tips on how to identify ovarian cancer in its early stages when treatment options are described as having a better success rate. At any stage, getting a doctor to take the leap from some of these indistinct symptoms and test further can be a challenge. If you see the symptoms below coming and going over a few months or persisting, be proactive and print information from the internet and take it with you to a doctor's visit. Start with your gynecologist and rule out ovarian cancer first. Insist on getting the CA125 blood test.

In one article I read, Goff, M. Robyn Andersen, PhD, of Fred Hutchinson Cancer Research Center, describes the **CA125 blood test** as the being "able to identify 80.6% of women with early stage ovarian cancer" when testing women who also showed signs of the symptoms in this list:

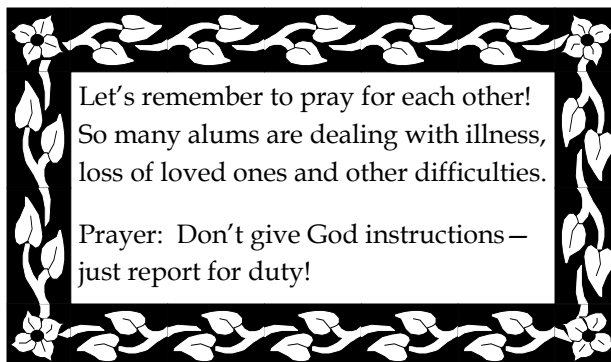

- ☐ Bloating or increased abdominal size
- ☐ Pelvic or abdominal pain
- ☐ Eating difficulty or feeling full too quickly
- ☐ Vague digestive disturbances, such as mild indigestion, bloating, feeling of fullness, or loss of appetite, gas.
- ☐ Diarrhea, constipation, or a frequent need to urinate.
- ☐ Pain or swelling in the abdomen, or pain in the lower back or pelvic pressure.
- ☐ Vaginal bleeding between menstrual periods or

after menopause.

A second WebMD article² goes on to say: ***"Symptoms associated with advanced ovarian cancer include severe nausea, vomiting, pain, and weight loss.***

Call Your Doctor About Ovarian Cancer If: You have unexplained abdominal pain or vaginal bleeding, particularly if these conditions accompany the more general symptoms listed in the description section. Do not allow such symptoms to continue undiagnosed for more than two weeks."

As you can see, this list is not remarkable. They are things that can be mistaken for something else and often are. According to the **Mayo Clinic website**, "Common misdiagnoses include irritable bowel syndrome, stress and depression. " If you have these symptoms and they persist several days a week, week after week you need to follow-up with your doctor. Ask for the CA125 blood test. If your doctor is not willing to do this, treats you as if they are patting a child on the head or is otherwise dismissive – GET A NEW DOCTOR! Not all doctors are used to patients having a mind of their own and not all trust your intuition about your body. When you find a doctor who respects you and your knowledge of your own experiences, you have a treasure. Tell your friends and fill the doc's schedule! Please share this information and web sources with your daughters, grand daughters, nieces, aunts, mothers, friends and the men in their lives. Sometimes those around us know something is wrong before we admit it. The luncheons are always fun, tables beautifully and thoughtfully decorated (what's the theme this year?) and the food is delicious. Hope you will join us this special year even if it's been a while since your last luncheon. Let's get together to share old dreams, our full lives of joy and sorrow and our hopes and maybe plans for health, happiness and contentment to come.

Call me or drop a note to me with your ideas about how we can make this reunion special for you. Or would you like to join a group to discuss plans? All suggestions are welcome! Do you know of an address change for a classmate? Please let me know the correct address. No, I still do not have a computer. Some day...but for now, all must be done the old-fashioned way. CLASS NEWS AND REUNIONS CELEBRATED

The Class of 1956 celebrates its 70th Birthday

On **Sunday, September 21, 2008**, over 50 classmates gathered to celebrate this special birthday. The afternoon began at The Wellington in Arlington Heights with cocktails and greetings amid festive balloons and red and white roses symbolizing our class colors and flowers. A delicious luncheon was served followed by a gift exchange and a surprise door-prize drawing. The room sang with the chatter of women happy to be in the company of those who like themselves had reached the amazing age of 70. It was agreed by all that we looked to be at least 20 years younger, with 70 being the new 50! You may remember that on the weekend of our event great area-wide flooding occurred, causing many of us to leave flooded basements and travel up to 2 hours or more and miles out of our way to cross the Des Plaines River to get to our destination. Kudos to all! It was well worth the effort.

A big thank you to our “official” class photographer, **Dolores Feit Urquhart**, who traveled from California to attend our gathering. Dolores took many photos, which may be viewed at <http://share.shutterfly.com/share/received/album.sfly?sid=0BaNHLFu0cMXVQ>.

Looking forward to seeing you all at the annual luncheon, details of which may be found in this newsletter, and warmest wishes for a very happy and healthy new year.

Sheila Duggan Dworak

Our Journey to Jubilation.....

Alvernia, though it sadly closed its doors in 1989; Is ALIVE and WELL, And STILL DWELLS,
In the Minds and Hearts Of the Class of 1958.

Here is our road map for our Journey to Jubilation:

Invitations (clear the calendar!);
Palpitations (increased heart beat-Dr. approved);
Hesitations (budget, gas, memory Loss?);
Anticipations (can't wait to rejoin '58ers);
Justifications (I deserve a vacation & a memory boost!);
Reservations (Grand Geneva sounds heavenly);
Participations (the more the merrier);
Jubilations (50 yrs is a SMILE-STONE);
Appreciations (thanks to all who came);

Exclamations (BRAVO to our committee: **Sue Immel, Marge Normoyle & Kay Severa!** Every detail was attended to and because of their endless endeavors and tireless efforts, our Journey was Priceless!)

Many people compare attending a reunion to a dreaded visit to the dentist or doctor. Nothing could be further from the truth, as we all found out. Wrinkles, extra weight, grey hair, dentures, canes, walkers none of these mattered! Once together again, the blank faces slowly became familiar; like old times in the gym, 307, 309, 411, the Greasy Spoon, etc., etc.. And without skipping a beat, favorite old NICKNAMES slipped out like *'Snort', 'Zach', 'Little Moose', 'Cos', & 'Spec'* to name a few.

To all who attended, may this serve as a reminder of our multi-faceted weekend. To those who sadly were unable to join us, make yourself a promise to attend the next reunion or join us at the **Annual Spring Luncheon this April 19.**

What made the deepest impression was the arrival of many who came with heavy hearts, temporarily trading their tears for smiles, even though they had recently lost husbands, sons, and parents.

The well planned weekend began with our arrival on **Friday, Oct. 10**, at the picturesque **Grand Geneva Resort** (the old Play-boy Mansion) in Lake Geneva. After we made a quick check in, we headed to the warm and cozy home of our gracious and generous hosts **Carolyn Wisniewski Bloch** and hubby, **Ron**. We enjoyed a delicious buffet fit for Queens! They truly turned their great home on Lake Como into our Party Headquarters to insure all 51 of us felt welcome in the Halloween styled atmosphere. Name tags helped to make our initial 'Alzheimer-ness' only temporary as we recalled and renewed old friendships. The energy and excitement was infectious. Like 'Senior Cinderellas', we hated this first night to end, but we knew more fun was in store for us tomorrow.

Saturday dawned with all its predicted and promised *'Autumn Allure'*. God truly blessed us as autumn strutted her stuff all week-end.

Again, we were overwhelmed with the awesome task of trying to identify 46 'new' faces at our luncheon. **Beverley Bickel** was responsible for bringing the memorabilia display and what a great, thorough job she did. **Sr. Sharon Kubes** gifted fellow classmates with a crafted brown & yellow 'A' that could be pinned to the name tag. What a thoughtful remembrance. We proudly posed for our class photo. Every face seemed to reflect the intense joy and pride we all were feeling. Special thanks to **Sr. Amy Kenealy** who made us so proud as she led us in prayer – speaking for all that was in our hearts.

After the luncheon, the Hospitality Room opened and classmates gathered there until 5:15 mass at St. Francis de Sales Church. We were warmly welcomed as 'Jubilarions' by Father and the organist added to our 'lump in the throat episodes' by playing the *Prayer for Peace*. No one had requested it; so this was a welcome surprise.

We returned to the Hospitality Room where 26 of us ordered out for pizza. We had wine, soda, and cakes. One cake was in

celebration of the October Birthdays! We talked and laughed until 11:30 PM. Gals wandered in and out all evening. The consensus was that classmates did not want to wait another 5 years to get together. Many are eager to gather for a 70th Birthday Celebration at a restaurant. (That would be in 2 years!) If YOU have any ideas you would like to put forth concerning the 70th B-Day Celebration, we would love to hear them.

We served coffee cake, donuts and coffee in the Hospitality Room before leaving for The Riviera Dock and boarding the Grand Belle for our Sunday Champagne Brunch Cruise. The Captain narrated a tour of the homes on Lake Geneva while fifty-seven of us enjoyed being wined and dined with a lovely buffet.

We said our 'Good-Byes', uncertain as to whether we'd all be together again in one place, at one time. I think we all echoed a prayer that somehow, someday, some way, we'd manage to come together again.

That so many came from so far is a true testament to our class. We were and will remain a class overflowing with double doses of love, loyalty, giggles, and talent. I think that our dear Alvernia Sisters would be very proud of the women we have become. With sincere appreciation, the **Class of 1958 is gifting the Sisters of St. Francis a donation of \$2,655.00**. He is our strength and our courage, we **DID NOT** fail!

PLEASE REMEMBER.....

We are happy to include names with the photos if they are supplied and typed (preferably) or clearly written .

Luncheon group photos of anniversary classes must be taken by the individual classes if you wish them published in the newsletter. It has been very difficult for the luncheon committee to photograph the groups so we will no longer be able to take care of the group photos. We will have class year signs on the stage by the podium for your use that day.

What Every Alvernian Should Know
(excerpt from Handbook, 1964)

CLEANLINESS is the essential foundation of any attractive appearance. One cannot see the freshness and vitality of youth through a layer of grime.

A GIRL'S POSTURE is one of the most important factors in her grooming. Such things as slouching show a lack of poise, one's disinterest, and may eventually be detrimental to one's posture.

IN ORDER TO PLANT YOUR FEET FIRMLY ON THE ROAD TO GRACIOUSNESS, it is essential to wear the proper shoes. Since the shoes are an accessory to the uniform, they should complement the style and color of the uniform.

AN ATTITUDE OF RESPECT is shown to faculty members by a pleasant greeting, rising when they enter a classroom, or pausing on the stairway when a teacher is approaching.

THOUGHTFULNESS AND GENEROSITY manifest themselves with a willing, "Yes Sister, I'll be glad to do it." Since our homeroom is our address for one school year, a sense of responsibility towards it prompts us to perform our duties. If a fellow student is having difficulty with a subject and asks for help, it would be thoughtful to help her.

Some course descriptions:

MATH & SCIENCE In this highly mechanized world, woman is holding an ever increasing role. We must be ready to accept the responsibilities of this role. This is through the physical sciences that we seek and contract the realities of life.

HOME ECONOMICS Many Alvernians will become wives and mothers. The condition of the house, the meals served, the care of the children and the appearance of the family show a woman's love for husband and children. These actions are the way she can best express herself in this capacity, thus realizing her goal in a woman's natural role of creation. The home economics courses are useful in college if the student plans to study nutrition, dietetics, teaching, or social work.

BUSINESS EDUCATION Through the business courses, the student is prepared for many of the numerous jobs available to a girl in the business world. She can be a good secretary, stenographer, typist, clerk or office machine operator. It is to be remembered that woman does not go into the office to compete with man; but rather, to complement him in his work.

REMEMBER

Little things of every kind can rush forgotten thoughts to mind;
An open hearth, a blazing flame, A cloudy, rained-on windowpane,
Rush to mind familiar faces, Old and unimportant places;
Even watching burning embers
Strange, the things that one remembers.

A bawling breeze
Slits my cocoon,
Sallow sunlight seeps
Through my drowsiness,
Dream-bubbles burst.

In a recent issue of *Alvernia Alive*, we included pictures of many of our wonderful class reps depending on availability at the last Luncheon. One of those omitted was the photo of the Class Rep for 1959.

We are happy to enclose the picture of **Susan Schell Cargill, Class of 1959.**

Attention, Please

If any alums are cleaning out their closets, basements, attics, or the basement of a mother or grandmother and find Alvernia memorabilia you do not want, **DON'T THROW IT OUT**, please send it to **Judy Skotzko, 5306 West Carmen, Chicago, IL 60630-2224.** She is creating an archive so that if an alum is looking for memorabilia Judy may be able to provide it.

You may also contact Judy at **773-685-3672** or **skotzko@sbcglobal.net.**

Alvernia is on Facebook!

Facebook (www.facebook.com) is a social networking site; anyone can join for free. It's great for reconnecting with old friends and keeping in contact with people you know. **Judy Skotzko '71** has created a group there called "**Alvernia HS Chicago Alumnae.**" If you have a Facebook account you can request to join; it's for anyone connected with Alvernia as a student, teacher, or employee. If you have any questions you can email **Judy at jskotzko@sbcglobal.net.**

KEEP THE MAIL COMING.....

Louis Van Mullem, husband of the Late Joan Mary Mosey, Class of '31, Goleta, CA says Joan loved Alvernia and often spoke of the wonderful education she received from the Sisters. He said she must have been a "prize student".

Gertrude House Slattery '56, Atlanta, GA Thanks for all your work to keep up with all (alumnae business).

Margaret Becker Barak '75 Woodstock, IL "As an Alvernia gal, I would personally like to thank you and all the others who make Alvernia still alive. I am so grateful to have attended a wonderful school and have fond memories. Thanks again!"

CLASS REPS

Our Alumnae Association has a two-fold purpose: to keep the Spirit of Alvernia alive within its members and to raise funds for the Sisters who guided us in our earlier years. A Class Rep can help to accomplish these goals by:

1. Keeping an accurate class list by establishing a network within the class to contact members.
2. Calling classmates to:
 - a) Gather news items for the newsletter.
 - b) Promote enthusiasm and class representation at the various functions.

Class Reps are NOT responsible for organizing reunions.

The Class Rep Coordinator is
